

Protective End Caps

Ideal for protection of cutting edges

- additional protection for delicate tool cutting edges
- extensive range of size from 3 to 30 mm diameter
- soft, flexible PE material for easy fitting and removal
- avoids "dip-coating" of tools

Availability:

- in neutral from stock (despatched only with other goods in view of low value)

Material:

- Polyethylene (PE)

Note: Technical modification and availability subject to change without notice.
