

The modular system to combine and optimise...

Ideal for sorting and storing.

- interchangeable inserts offer scope for customising (diam. 3-40 mm)
- precise positioning allows automatic loading and unloading
- usable depth 25mm or 40mm simply by reversal of inserts
- stackable, fits for stock- and transport boxes
- sturdy design, combined with impact resistant material ensures protection against damage
- temperature resistant (up to 120 degrees Celsius)
- solvent resistant
- intermediate frame 400 B for long parts

Application:

- customised "in-house" layout for perfect logistic purposes (e.g. cleaning, coating and transporting)
- space-saving storage and arrangement of tools, turned parts or technical components

Material:

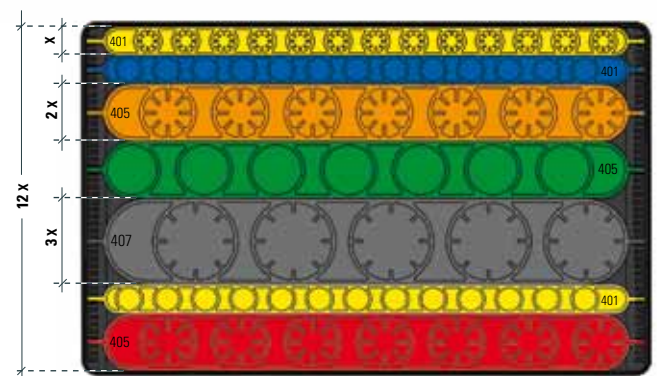

- Polyamide (PA 6)

Stock items:

- frame and intermediate frame in black available from stock
- inserts Ø 3-26 mm, 28/30/32/40 mm, 17x17mm available from stock (colour-coded)
- Ø 34/36/38 mm, 3/4", 3/8", 1/2", 1/4" please enquire

Insert 412

Maximum no. of inserts per size/board.
